We were talking about our project, our tasks, 10 groups in which we are working on, types of bullying and our recent trip to Germany. We played mini mediation to solve typically school problem.

Then we showed Erasmus' blog where is posts and videos another countries. After we made a short quiz about our project. We were asking about Erasmus' logo, official project language, partnership countries. When someone said good answer he got a gadget with logo Erasmus.

Pupils were interested in project "R.E.S.P.E.C.T.", they would like to know more details about our partners, meeting, asking a lot and gave correct answers for our questions.

After the meeting we took a photo together.
